

Traveller Plus – Effective 1st July 2017

Information about the Service

Description of the Service

The Globalgig Traveller data plan service is a post-paid Mobile Broadband service. Your plan allowance can be used in Australia, Table 1 'European' Countries and the USA.

Bundling

You don't have to bundle this plan with any other Globalgig service.

Mandatory Goods

You need to purchase a Globalgig SIM Starter Pack to activate this plan.

The cost of the required SIM card is \$2 (one off) and is not included in the minimum monthly charge.

Minimum Term

The minimum term is 1 full calendar month.

Plan Inclusions

The Traveller plans include a monthly Mobile Broadband allowance to be used within Australia, Table 1 'European Countries' and the USA.

Plan Exclusions

You can use your Globalgig service in any of the following Table 2 'Additional Countries' at 25c per MB.

Mobile Broadband usage within these countries is not included in your monthly Traveller Plus Plan data allowance.

Important information about where your service will work

Some Globalgig SIMs do not support the full 100+ footprint, if you need to use your service outside of Australia, Europe or the USA, please contact Customer Service a minimum of 1 week before you travel to ensure you have for the latest SIM card with the 100+ footprint.

Critical Information Summary

Limitations

It is not possible to make voice calls or send SMS/MMS via the mobile voice/SMS/MMS network using a Mobile Broadband service. The service is available to eligible new or existing credit approved customers.

The service is available to customers within the Optus 4G/LTE and 3G/HSDPA network coverage areas. When outside the 4G/ LTE coverage area (or if your device is not 4G-enabled), the service operates on the Optus 3G/HSDPA network. 4G Mobile Broadband coverage is available in limited areas only.

For use in Australia your device should be compatible with the Optus mobile network frequencies in Australia.

If your device was purchased from another service provider, you should check to ensure that your device is not locked to that service provider or another network.

Critical Information Summary

Maximum Monthly Plan Charge

The maximum monthly plan charge will depend on:

- Your chosen Traveller mobile broadband plan
- If you exceed the included monthly broadband allowance for Australia within your monthly billing cycle, and
- If you use your Globalgig service in any of the 'Additional Countries' not included in your plan allocation

Early Cancellation

If you cancel your plan before the end of your minimum term, you'll need to pay an Early Cancellation Fee (ECF) equivalent to the remaining plan payments. You are also required to pay any excess or overseas Broadband usage charges that will appear on your next bill.

Cost of using 1GB (Gigabyte) of Broadband

The cost of 1GB within your monthly Broadband allowance is \$30 for 1GB or \$50 for 3GB (\$16.67/GB). Any excess usage within Australia, or usage in the additional countries, will be charged as per the pricing table and will appear on your next bill.

SIM Cost

The Globalgig SIM Starter Pack is \$2

Other Information

Connecting other devices

With the Globalgig SIM you can tether your tablet to other devices.

Broadband Usage Alerts

We will notify you by email when your Broadband usage exceeds 50%, 95% and 100% of your Mobile Broadband allowance. Please be advised there can be up to a 48-hour delay on Broadband records and therefore usage alerts. You can also obtain your Broadband usage by calling Customer Care on 1300 102 102.

Please note: Spend management notifications are a best effort service and are valid at the time of email generation. Occasionally, notifications may be late due to delays in receiving data records from our network partners.
